1. DEFINITIONS:

As used in this Agreement, the following capitalized terms set forth below shall have the respective meanings ascribed to them below:

"Account" means the Customer Account(s) identified in the BEA.

"Agreement" is defined in the BEA and includes any amendments signed by the Parties.

"Average Monthly Bill" means the sum of: (i) the amount that would be due to NextEra Energy Services under the BEA assuming the Customer's average monthly usage of each relevant Account; provided, that if an average monthly usage cannot be determined due to a limited term of supply by NextEra Energy Services or any other circumstance, such average monthly usage as calculated by NextEra Energy Services; and (ii) any Monthly Base Charge.

"Billing Cycle" means, for each Account, the period between successive monthly meter read dates during the term of this Agreement.

"BEA" means the binding Business Electricity Authorization associated with this TOS, including any addenda and exhibits.

"Change in Law" means a Change in any law, regulation, rule, ordinance, tariff, order or decree by a governmental or quasi-governmental authority or the applicable Regional Transmission Operator ("RTO")/Independent System Operator ("ISO") or EDC, including, without limitation, EDC tariffs (including, without limitation, rate class definitions and/or delivery voltage/service level requirements), RTO/ISO rules, interpretations, manuals or protocols (including, without limitation, those affecting any fees, costs, or charges imposed by the RTO/ISO), market rules or practices, load profiles, methods by which the EDC or the RTO/ISO calculates usage, nodal and zonal definitions, and/or ISO boundaries. In this context, a "Change" includes, without limitation, any creation, amendment, modification, nullification, suspension, repeal, finding of unconstitutionality or unlawfulness or any change in construction, calculation, interpretation or outcome.

"Delivery Charges" means those charges payable by Customer to the EDC for transmission and distribution services provided by the EDC, applicable RTO/ISO, or other third parties.

"Delivery Point" means the point of interconnection between a third-party transmission or delivery system and the EDC transmission or delivery system.

"Early Termination Fee" means an amount equal to (i) for termination of the entire Agreement, two (2) Average Monthly Bills for each Account for each year or partial year of the remaining Initial Term, or (ii) for termination or deletion of an Account, two (2) Average Monthly Bills for such terminated or deleted Account for each year or partial year of the remaining Initial Term.

"Effective Date" means is the date the BEA is signed by both Parties (and appears by NextEra Energy Services' signature in the BEA), or the date of the telephonic third party verification of the Customer's verbal authorization, as applicable.

"Electric Distribution Company" or "EDC" means a public utility that owns electric transmission and/or distribution facilities that deliver electricity to the facilities to which the Account(s) pertain.

"Energy Usage" means Customer's total metered energy usage for the Account(s) measured in kilowatt hours ("kWh") for the applicable period, which usage shall be increased by NextEra Energy Services to allow for Line Losses if Line Losses are not expressly included in the Price set forth in the BEA.

"Holdover Period" means the period of the Agreement between the expiration of the Initial Term and the termination of the Agreement.

"Holdover Price" means the price for electricity delivered during the Holdover Period, as set forth on NextEra Energy Services' website at www.nexteraenergyservices.com in the Commercial section under "Legal Notices and Terms."

"Initial Term" means the period commencing on the Effective Date and continuing to the meter read date of the billing month which occurs those number of months set forth for the Initial Term in the BEA after the Service Commencement Date; provided, that if the Service Commencement Date is delayed past the Start Month, the Initial Term shall still expire in the same billing month as if the Service Commencement Date not been delayed past the Start Month.

"ISO" means the independent system operator with responsibility for grid reliability, including PJM, MISO, ISO-NE, and NYISO, as applicable.

"Line Losses" shall mean a loss factor provided by the EDC or, if one is not available, one determined by NextEra Energy Services.

"Late Fee" means a fee of one and one-half percent (1.5%) per month for the first and second month, and two percent (2%) thereafter, or the maximum rate permitted by law, whichever is lower, assessed on invoices for the NextEra Energy Services Electricity Charge that are not paid when due.

"Monthly Base Charge" means (i) for the Initial Term, a fixed monthly charge per EDC Account number, if any, as set forth in the BEA, and (ii) for the Holdover Period, a fixed monthly charge per EDC Account number, as set forth on NextEra Energy Services' website at www.nexteraenergyservices.com in the Commercial section under "Legal Notices and Terms."

"NextEra Energy Services Electricity Charge" means the sum of: (i)(a) an amount equal to the product of the Price and Energy Usage during a Billing Cycle for a standard product, if applicable; (b) the amount due pursuant to the "Billing" Section of the BEA of the index product, if applicable; or (c) the amount due as the product of the Holdover Price and all Energy Usage, if applicable; (ii) any specified charges set forth in the BEA; (iii) any Monthly Base Charge; (iv) any Pass-Through Charges; and (v) Taxes.

"Party" means either NextEra Energy Services or Customer, and "Parties" means both NextEra Energy Services and Customer.

"Pass-Through Charges" means new or increased costs and charges with respect to the purchase, sale, acquisition, delivery, transmission and/or distribution of electricity including, without limitation, those in connection with any additions or deletions of Accounts (if applicable), MAC Events or Change in Law events, all of which are passed through to Customer by NextEra Energy Services.

"PJM" means PJM Interconnection, LLC.

"Price" means the unit price for electric service provided to Customer by NextEra Energy Services during the Initial Term, as set forth in the BEA.

"RTO" means the regional transmission operator with responsibility for coordination, control and monitoring the electric grid, including PJM, MISO, ISO-NE, and NYISO, as applicable.

"Service Commencement Date" means the meter read date during or after the Start Month on which the LDU successfully switches each Account(s) to electric generation supply from NextEra Energy Services; provided that, in the case of electric generation supply already being provided by NextEra Energy Services to Customer, the Service Commencement Date means the meter read date during or after the Start Month.

"Start Month" is the calendar month/year specified in the BEA.

"Taxes" means all federal, state, municipal or other governmental taxes, duties, fees, levies, premiums, assessments, surcharges, withholdings, or any other charges of any kind relating to the sale, purchase or delivery of electricity, together with all interest, penalties or other additional amounts imposed thereon, but excluding taxes on net income.

2. SERVICES. During the Initial Term and any Holdover Period, NextEra Energy Services shall provide Customer's full electricity requirements for the Account(s) specified in this Agreement, and Customer shall obtain its full electricity requirements for such Account(s) exclusively from NextEra Energy Services on the terms and conditions specified in this Agreement. Notwithstanding the foregoing, NextEra Energy Services shall be under no obligation to supply any Accounts under a residential rate class and, if NextEra Energy Services does supply such Accounts, Customer hereby represents and warrants to NextEra Energy Services that such Accounts are used for commercial or governmental purposes.

3. CUSTOMER INFORMATION. Customer hereby authorizes NextEra Energy Services to obtain or access from the EDC and/or Customer current and historical electricity cost and usage data of Customer, Customer's payment and credit history, and other information generally relevant to the supply and associated services to be supplied under this Agreement. Customer agrees to provide additional documentation regarding such authorization as requested by NextEra Energy Services. Customer agrees, upon request, to provide NextEra Energy Services with facility descriptions, operating information, meter identification numbers and locations, and such other information available to Customer as NextEra Energy Services may reasonably require to provide electric service pursuant to this Agreement. Customer's expected energy usage for the Accounts may change for various reasons including, without limitation, additional equipment going on-line, ramp-up in equipment use, equipment modifications, increasing operating hours, remodel of facilities, new construction, applications for new construction permits, participation in demand response programs, participation in special government electricity supply programs or on-site electric generation of any type or size. Customer shall provide NextEra Energy Services at least thirty (30) days' advance notice whenever it believes that it will experience a "MAC Event," as defined below, and shall provide good faith estimates of the associated usage change. As used in this Agreement, a "MAC Event" shall be deemed to have occurred when Customer's monthly aggregate usage, for two (2) or more consecutive months, is either less than eighty percent (80%) or greater than one hundred twenty percent (120%) of the usage reasonably expected by NextEra Energy Services for such months. Irrespective of whether Customer has provided notice to NextEra Energy Services, Customer shall pay NextEra Energy Services the full amount of any losses, and/or new or increased costs and charges, reasonably associated with each MAC Event. Such losses, and/or costs and charges, may be charged to Customer as Pass-Through Charges.

4. ENROLLMENT NextEra Energy Services shall use commercially reasonable efforts to promptly enroll Customer's Account(s) with the EDC in accordance with the intended Service Commencement Date, and Customer agrees to take steps to cooperate with NextEra Energy Services' efforts to perform such enrollment. NextEra Energy Services shall not be held liable to Customer for delay or failure in enrolling Customer's Account(s) if such delay or failure was due to any cause beyond NextEra Energy Services' control. Further, notwithstanding any provision in the Agreement to the contrary, it is possible that, for various reasons such as the Account is not existing, the Account is not active or the Account is not the "first in", some or all the Accounts cannot be enrolled. All such un-enrolled Account(s) shall be subject to payment of the Early Termination Fee (or damages, if greater) by Customer. NextEra Energy Services shall not be required to serve such un-enrolled Account(s). If any such un-enrolled Account(s) are subsequently enrolled during the Initial Term, such subsequently enrolled Account(s) shall be automatically added to service under this Agreement without an amendment hereto (i.e., an amendment signed by both Parties).

5. TERM OF AGREEMENT. This Agreement shall become effective on the Effective Date, with service commencing for each respective Account(s) on the Service Commencement Date, and shall continue for the Initial Term. After the Initial Term expires, this Agreement shall continue on a month-to-month basis at the Holdover Price unless and until either Party terminates this Agreement upon at least thirty (30) days written notice, in which event such termination shall be effective after the noticed termination date on the date on which the EDC successfully switches Customer's Account(s) to another competitive electricity supplier or to the EDC's generation service.

6. PRICING. The Price for electric supply provided to Customer by NextEra Energy Services during the Initial Term is set forth in the BEA and subject to any adjustments set forth in this Agreement. Depending on the bill format, certain Pass-Through Charges, such as those arising from a Change in Law event, may appear on the bill as a separate line item or an increase to the Price shown on the bill. The price for electricity during the Holdover Period shall be the Holdover Price, not the Price. The Holdover Price may change without prior written notice to Customer at the sole discretion of NextEra Energy Services until either Party terminates the Agreement pursuant to the "Term of Agreement" Section of this TOS.

7. BILLING AND FEES. Each month, Customer shall pay the NextEra Energy Services Electricity Charge (as defined herein). Unless the Parties agree in writing to alternate payment arrangements, Customer consents to be billed monthly for services provided hereunder through one of the following billing options, as permitted by law, at NextEra Energy Services' discretion: (i) Customer will receive one invoice from the EDC that includes the NextEra Energy Services Electricity Charge, the Delivery Charges and applicable Taxes, (the "Consolidated Billing Option"); or (ii) Customer will receive two invoices, one from NextEra Energy Services for the NextEra Energy Services Electricity Charge and one from the EDC for the Delivery Charges, each with applicable Taxes (the "Dual Billing Option"). Under the Consolidated Billing Option, Customer will make payments directly to the EDC pursuant to the applicable EDC tariff. Under the Dual Billing Option, payments are due to NextEra Energy Services within sixteen (16) days from the date of the invoice. If, under the Consolidated Billing Option or Dual Billing Option, any payment for the NextEra Energy Services Electricity Charge made by Customer to NextEra Energy Services or to the EDC is late under the applicable payment terms, Customer may be assessed the Late Fee and its delinquent balances may be reported to a credit agency. Further, in addition to any other rights of NextEra Energy Services hereunder, if, during the Dual Billing Option, any payment for the NextEra Energy Services Electricity Charge is late under the applicable payment terms, then NextEra Energy Services shall have the right, without prior notice to the customer, to convert all billing hereunder to the Consolidated Billing Option and convert the Price as necessary, on a commercial reasonable basis, to a fixed price sufficient to enable such Consolidated Billing. NextEra Energy Services may apply any credit balance on a particular Account to a balance owed on any other Customer Account. NextEra Energy Services may assess a twenty five dollar (\$25) fee against any transaction not processed due to insufficient funds or credit availability for any method of payment, including checks, bank drafts or credit card. If the EDC fails to timely obtain or transmit a meter reading, NextEra Energy Services will issue or cause to be issued a bill to Customer based on its estimated Energy Usage and charges during the Billing Period. NextEra Energy Services will include or cause to be included in any subsequent bill from NextEra Energy Services, adjustments related to previous billings, including estimates, previous billing errors, meter read errors, or other errors or omissions. In the event that Customer disputes a bill for the NextEra Energy Services Electricity Charge, Customer must pay any undisputed portion of the bill by the due date specified in the applicable payment terms. If the unpaid, disputed portion of the bill is subsequently resolved in favor of NextEra Energy Services, the Late Fee will be applied to such unpaid amounts. Pass-Through Charges will be passed-through to Customer on a load ratio share basis, allocated as set forth in this Agreement or, if neither are applicable, as reasonably determined by NextEra Energy Services based on the charge and circumstances involved.

8. CREDIT AND DEPOSIT REQUIREMENTS. NextEra Energy Services reserves the right to request a credit history on an applicant for service prior to offering service and to refuse service to anyone who does not meet NextEra Energy Services' credit standards. If NextEra Energy Services determines, prior to offering service or at any time during the term of this Agreement, that Customer's credit is unsatisfactory, NextEra Energy Services has the right to require Customer to make alternate payment or credit arrangements to ensure prompt payment of amounts owed or otherwise payable under this Agreement including, without limitation, the posting of an initial or subsequent security deposit, or an increase in the amount of any deposit. In addition, if Customer's Energy Usage increases during the term of this Agreement, NextEra Energy Services may require a security deposit or an increase in the amount of an existing security deposit.

9. DISPUTES OR COMPLAINTS. Customer should contact NextEra Energy Services at 1.866.319.4392 (toll free) with any questions or complaints regarding its generation service or bills for the NextEra Energy Services Electricity Charge. Customer should contact its EDC directly in the event of a power outage or if Customer has questions regarding the Delivery Charges on its bill. If Customer is not satisfied with the result of this process, Customer may also contact the Maryland Public Service Commission at 1.800.492.0474 or via the internet at <http://www.psc.state.md.us/psc/index.htm>.

10. TERMINATION OF AGREEMENT BY CUSTOMER. If Customer terminates this Agreement, in whole or as relating to any single Account(s), before the end of the Initial Term, Customer shall pay NextEra Energy Services the Early Termination Fee. In the event that Customer terminates this Agreement as provided for in this Section, Customer shall be obligated to pay for the electricity and related services provided to Customer pursuant to this Agreement prior to the date that such termination becomes effective, including Late Fees, if applicable. Should NextEra Energy Services incur damages greater than the Early Termination Fee as a result of such termination of this Agreement by Customer before the end of the Initial Term, Customer shall pay to NextEra Energy Services such damages. Such damages will be calculated based upon the net present value of the product of (i) the difference between the Price and the market prices that are commercially available to NextEra Energy Services for the same quantities of energy which would have been supplied hereunder for the remainder of the Initial Term, and (ii) the estimated Energy Usage by Customer, as determined by NextEra Energy Services, during the remainder of the Initial Term. To determine "market prices," as used above, NextEra Energy Services may consider, among other things, settlement prices of applicable NYMEX power futures contracts, quotations from leading dealers in energy swap contracts and other bona fide offers from parties participating in the wholesale and/or retail power markets, which may include NextEra Energy Services and/or its affiliates, all as commercially available to NextEra Energy Services and all as adjusted for the length of the remaining Initial Term and differences in transmission costs and volume. NextEra Energy Services will not be required to enter into any replacement transaction in order to determine such market prices or actual damages. The Parties agree that the amounts recoverable hereunder are a reasonable estimate of loss and not a penalty.

11. TERMINATION OF AGREEMENT BY NEXTERA ENERGY SERVICES. NextEra Energy Services has the right to terminate this Agreement if Customer: (i) fails to make timely payment of all amounts due NextEra Energy Services unless the outstanding balance is less than \$100 and has been delinquent for less than three (3) months; or (ii) fails to post a security deposit under the provisions of the Credit and Deposit Requirements Section herein within ten (10) days of a request for deposit; or (iii) breaches any warranty or representation to NextEra Energy Services; or (iv) defaults on any material obligation under this Agreement; or (v)(A) makes an assignment for the benefit of creditors, (B) files a petition or otherwise authorizes the commencement of a proceeding under the Bankruptcy Code or similar law for protection of creditors, or has such petition filed against it, (C) otherwise becomes bankrupt or insolvent, or (D) is unable to pay its debts as they fall due; or (vi) enters into a merger with, or sells substantially all of its assets to, another entity that fails to assume Customer's obligations under this Agreement. In the event service is terminated in accordance with this Section, Customer shall pay the Early Termination Fee or, if applicable, damages incurred by NextEra Energy Services as provided in this Agreement. If NextEra Energy Services terminates this Agreement, Customer's electricity will be provided by the EDC under the EDC's applicable generation service tariff unless another competitive electricity supplier has been chosen by Customer.

12. TITLE, RISK OF LOSS AND INDEMNIFICATION. Title and risk of loss to the electricity sold hereunder shall pass from NextEra Energy Services to Customer when it is delivered to the Delivery Point for each Account(s). Customer shall indemnify and defend NextEra Energy Services from all claims for any loss, damage, or injury to persons or property, including without limitation all consequential, incidentals, exemplary, or punitive damages arising from or relating to the distribution or consumption of electricity at and after the point at which the EDC delivers the electricity to Customer's facilities to which the Account(s) pertain.

13. FORCE MAJEURE. In the event that either Party's performance of its obligations under this Agreement, other than payment obligations, is interrupted or delayed by any occurrence not caused by either Party, whether such occurrence is an act of God or public enemy, or whether such occurrence is caused by storm, earthquake, or other natural forces, or by war, riot, public disturbance, labor action, or the acts or omissions of anyone not a Party to this Agreement, then the Party affected by such occurrence shall be excused from such performance and any further performance required under this Agreement for whatever period is reasonably necessary to remedy the effects of that occurrence.

14. CHANGE IN LAW. Notwithstanding any provision in this Agreement to the contrary, if there is one or more Change in Law events and such event results in NextEra Energy Services incurring new or increased costs or charges in providing the supply or services contemplated herein, such new or increased costs or charges shall be paid by Customer as Pass-Through Charges.

15. NON-DISCRIMINATION. NextEra Energy Services does not discriminate against any customer based wholly or partly on race, color, creed, national origin, or sex, of an applicant for service or for any arbitrary, capricious, or unfairly discriminatory reason.

16. REPRESENTATIONS AND WARRANTIES. Each Party warrants and represents to the other Party that: (i) it is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation; (ii) It is authorized and qualified to do business in the jurisdictions necessary to perform this Agreement; (iii) the execution, verbal authorization, delivery and performance of this Agreement have been duly and validly authorized by all necessary corporate or other actions and do not violate any agreement to which it is a party or any laws or regulations applicable to it; and (iv) the Agreement, when delivered, will be valid and legally binding upon it and enforceable in accordance with its respective terms (subject to equitable defenses). Customer further warrants and represents to NextEra Energy Services that it has full power and authority over the provision of electricity to the facilities to which the Account(s) pertain.

17. DISCLAIMER OF WARRANTY. NEXTERA ENERGY SERVICES EXPRESSLY DISCLAIMS ALL WARRANTIES REGARDING THE QUALITY OF ELECTRICITY DELIVERED TO CUSTOMER PURSUANT TO THIS AGREEMENT, WHETHER WRITTEN, ORALLY EXPRESSED, OR IMPLIED, INCLUDING, WITHOUT LIMITATION, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

18. LIMITATION OF LIABILITY. UNLESS OTHERWISE EXPRESSLY PROVIDED HEREIN, ANY LIABILITY UNDER THIS AGREEMENT WILL BE LIMITED TO DIRECT ACTUAL DAMAGES AS THE SOLE AND EXCLUSIVE REMEDY, AND ALL OTHER REMEDIES AND DAMAGES AT LAW OR IN EQUITY ARE WAIVED AND NEITHER PARTY WILL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, INCLUDING LOST PROFITS (OTHER THAN PROFITS TO NEXTERA ENERGY SERVICES EXPECTED BY CUSTOMER'S DUE PERFORMANCE UNDER THIS AGREEMENT) OR OTHER BUSINESS INTERRUPTION DAMAGES, WHETHER IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISIONS OR OTHERWISE IN CONNECTION WITH THIS AGREEMENT. THE LIMITATIONS IMPOSED ON REMEDIES AND DAMAGE MEASUREMENT WILL BE WITHOUT REGARD TO CAUSE, INCLUDING NEGLIGENCE OF ANY PARTY, WHETHER SOLE, JOINT, CONCURRENT, ACTIVE OR PASSIVE, PROVIDED NO SUCH LIMITATION SHALL APPLY TO DAMAGES RESULTING FROM WILLFUL MISCONDUCT OF ANY PARTY.

19. FORWARD CONTRACT. The Parties agree that this Agreement is a "forward contract" and that NextEra Energy Services is a "forward contract merchant" for purposes of the United States Bankruptcy Code, as amended, (the "Bankruptcy Code") any payment related hereto will constitute a "settlement payment" as defined in Section 101 (51A) of the Bankruptcy Code.

20. ATTORNEY'S FEES. If Customer fails to timely pay amounts due under this Agreement and NextEra Energy Services refers Customer's outstanding balance to an attorney or collection agent for collection, or if NextEra Energy Services files a lawsuit in connection with this Agreement, or collects Customer's outstanding balance through bankruptcy or judicial proceedings, Customer agrees to pay NextEra Energy Services its reasonable fees and expenses (including reasonable attorney's fees) incurred by NextEra Energy Services in connection therewith.

21. AMENDMENT. This Agreement may not be amended except by a written amendment signed by both Customer and NextEra Energy Services.

22. SEVERABILITY. If any provision of this Agreement is held to be void or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall remain in full force and effect to the extent that the intended essential purposes of this Agreement are not materially altered.

23. HEADINGS. Headings are for the convenience of the parties and shall be ignored for purposes of interpreting this Agreement.

24. ASSIGNMENT. NextEra Energy Services may assign its rights and obligations under this Agreement to a third party. Customer may not assign its rights and obligations under this Agreement to a third party without the prior written consent of NextEra Energy Services, which consent shall not be unreasonably withheld. NextEra Energy Services may deny such assignment based on the creditworthiness of the assignee.

25. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which shall be deemed to be one and the same instrument.

26. WAIVER. No waiver by any Party hereto of any one or more of such Party's rights under this Agreement, or waiver of a default by the other Party in the performance of any of the provisions of this Agreement, shall be construed as a waiver of any such right, or any other default whether of a like kind or different nature.

27. GOVERNING LAW OR JURISDICTION. This Agreement shall be governed by and construed, enforced and performed in accordance with the laws of the state of Maryland. Each party hereby designates the Maryland state courts of competent jurisdiction or the United States District Court for the District of Maryland as the exclusive courts of proper jurisdiction of any suit, claim, action or other proceedings, whether at law or in equity, relating to this Agreement.

28. CONFIDENTIALITY. The Parties agree to keep all terms and provisions of this Agreement confidential and not to disclose the terms of the same to any third parties without the prior written consent of the other Party; provided, however, each Party shall have the right to make any such disclosures to (i) a third party service provider who has a need to know such confidential information to provide services to the disclosing Party and is prohibited from disclosing to another party such Party's confidential information, (ii) governmental agencies, and (iii) its own agents, attorneys, auditors, accountants and shareholders or members. If disclosure is sought through process of a court, or a state or federal regulatory agency, the Party from whom the disclosure is sought shall provide reasonable notice thereof to the other Party. Electronic Record and Signature Disclosure

CONSUMER DISCLOSURE

From time to time, Utility Services Advisory Group, Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree"™ button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent"™ form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.

How to contact Utility Services Advisory Group, Inc.:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: esig1@usagroupenergy.com

To advise Utility Services Advisory Group, Inc. of your new e-mail address

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from Utility Services Advisory Group, Inc.

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to esig1@usagroupenergy.com and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Utility Services Advisory Group, Inc.

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to esig1@usagroupenergy.com and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
