**Comment [TCM1]:** Kim, do you have Rob's last name?

**CALL TO ORDER:**

6:35 pm – Kim called meeting to order.

**Decision:** Kimberly Taylor was elected committee Chairperson.

**Decision:** Tim Morgan was elected Secretary.

**ISSUES DISCUSSED:**

- Placement of neighborhood watch signs
- Ordering of home safety materials
- Preliminary discussion of planning for October neighborhood watch event
- Rob for committee membership

***Placement of neighborhood watch signs***

Issue summary: Rob, a community member, joined the meeting to express an opinion regarding the placement of neighborhood watch signs.

- Rob opposes the placement of the signs, due to lack of data that supports the notion that these are a crime deterrent.
- Also noted that these signs may imply to visitors and potential future residents that our community has a crime problem, despite the fact that we do not.
- Standing expectations have been that we would move forward with the placement of these signs, regardless of whether they would be provided free of charge by the AAPD through *Operation ID*, or purchased by the Neighborhood Watch Committee.

General consensus: We do not need to make a decision regarding the placement of signs until *Operation ID* has run its course.

**(Action: Group)** Independently research the merits of placing neighborhood watch signs at next month's meeting.

### ***Ordering of home safety materials***

Issue summary: We have the option to order home safety booklets for distribution at a future neighborhood watch event.

- **Decision:** We will order 75 of each of the two types of booklets reviewed at the meeting.

### ***October neighborhood watch event***

We will be holding a Neighborhood Watch event in October – more details to come after further discussion at later meetings.

### ***Committee Membership***

- Rob expressed interest in joining the Neighborhood Watch Committee.
- **Decision:** Rob will fill the final vacant position for the Neighborhood Watch Committee, pending approval by the board.
