- Can we bring in the Social Committee?
 - *If yes, need to see what events are already planned for October. (Halloween theme?)*
 - *Greg volunteered to discuss with his neighbor, Jimi DeSimone, social committee.*

- Suggestion to save money if we can install these ourselves.
- (Action: all members) Need to identify a time frame for 'good faith effort' for *Operation ID*.
 - Has been in two Newsletters, two email blasts.
 - One or two responses, very small.
 - Suggestion to set a goal for post October to ride some good will from a successful event.
- Should we make an effort to put out communication to the community?
 - Decisions will be in the minutes -- minutes are publically available.
 - We have another vacant position, opportunity for people to get involved.
 - All are in favor of making a good faith outreach to the community. Need to identify what level of engagement is just right.
 - Suggestion to work with the *Communications Committee*. (Bill Kelly [chair], Kim Huggins)
- Further discussion tabled until next month.
