DISCUSSIONS	RESPONSIBLE
Social Committee Survey	All
Create events	All

**Notes:**

The meeting began by reviewing the results of the survey that was sent out to the community regarding Social Committee (SC) events. This helped provide a baseline of future events to be planned.

We went over previous events and annotated which events to do again. We also discussed how many events to do versus last year; more or less or the same. We opted to do less events and to combine some events; however, we would look at doing "pop up parties" during down times during the month. These would be last minutes parties hosted at the clubhouse. Approximately three days' notice would be sent out of a themed party (i.e. meet n greet, games, 80s, etc). This allows the HOA the opportunity to earn funds through the rental fee of using the clubhouse, but if no one books it, the SC could use it.

Below is a list of events that the SC selected to have for 2019. Various details will be determined as the events draw near. The clubhouse has been booked for all upcoming SC meetings (first Wednesday of every month at 1930) as well as all events.
